Q Do you recall discussing --

A Is that Hill and Knowlton or what?

Q Yes, sir?

A Somebody from Hill and Knowlton but I couldn't tell you what the name was.

Q Do you remember discussing the Illinois Pollution Control Board possible ban on asbestos --

A I believe it was brought up at that session.

Q Okay. -- with anyone from Raybestos-Manhattan?

A No, I do not.

Q Did anyone from Raybestos-Manhattan attend the meeting that you attended with Johns-Manville and Hill and Knowlton?

A I'm not sure. I can't recall.

Q How many people were at the meeting?

A I don't -- I believe a gentleman from Johns-Manville and I believe the man from Hill and Knowlton and possibly myself and maybe there were others but I cannot recall. This was a real minor thing in my life back then. Go ahead.

Q Well, it may not be a minor thing in everyone's lives.
