Section A-6 can bow for their "Accelerated Course" skit was hilarious. Lee Youngblood then announced the door prizes and Dr. Bert Shone was the first winner. He took a good natured ribbing for in the last annual physicals, all overweight officers were told to reduce by the Medical Department, and as senior medical officer it was his duty to tell them to shed pounds. By the way, Dr. Shone is very slim! The next door prize went to Cary Giet who was presented with a Hedda Hopper hat on a beautiful ceramic plate. Captain John Tracy was presented with a sling shot that was slightly on the large side.

The Ball Room Hula and the Rhumba Rhythm numbers were beautiful and so well performed that they literally brought down the house. Marion Stanton directed the hula and Yvonne Way the rhumba.

Jorgie Jorgenson as the gay caballero must be signalled out. His verses about present celebrities and his contageous glee when he sang about those absent were thoroughly enjoyed. Just another hint of what you have coming your way, Wilma Johnson and Pat Nagle were wonderful in their solo parts. They, too, are a MUST. One more accolade to the Bali Room Orchestra . . . and to everyone in the cast.

Captain and Mrs. Wells Thompson had as their dinner guests before the performance, Captain and Mrs. Bert Shone, Commander and Mrs. Goode. (Commander Goode has just been here about a month and is OIC of Airology), Mr. and Mrs. Leo Marihart of Salinas, Commander Louis Gulliver USN (Ret.), Prof. and Mrs. Robert Giet, Prof. and Mrs. F. L. Coonan and Prof. and Mrs. Melvin Reynolds.

Captain and Mrs. Tracy were at the first show to enjoy the fun one time juniors poke at the CO.

B-2 Section was there as a body as were the members of the Communication Engineering Department. With the latter were Lt. Cmdr. and Mrs. M. C. King who have just come to the school, and the Lester Borchers of Carmel Valley. Noted the Kinslers, Bob Bauers and Bill Stehs in a party. Lt. Cmdr. and Mrs. Claud Brubaker had Lt. and Mrs. Barkley as guests. John Coyle had a party of four with him. There were many engineering students there . . . the Cooks and Shaffers were together. Noted the Shetkeys, and Dorothy Dean. The attractive Peggy Dahlstrom, Line School Students' Wives Club president, was there with a group including Katherine Stewart.

History, Art Group To See New Film

"Williamsburg Restored" is the title of a film which will be shown at a meeting of the membership of the Monterey History and Art Association Monday evening, October 6, at 8 o'clock in the Community Room of the Monterey Library. It is a documentary film on the history and restoration of Virginia's colonial capital, produced in color by Colonel Williamsburg.

A few years ago the association brought another film, "Eighteenth Century Life in Williamsburg," to entertain the members. This latest film begins where the other left off, and presents a picture of Williamsburg as it was 200 years ago and as it is today. It vividly portrays the scope of the architectural achievement in the restoration of the town to its eighteenth-century appearance.

It is a day in May, 1774, Virginians from far and near have come to Williamsburg for "Public Times"—a festive season when events of social and political importance take place in Virginia's capital—and so the film tells the story of that day.
