

Copied for Dr. Sawyer

C

Atlanta, Ga. March 25th, 1935

450 Angier Ave., N. E.

Ethyl Gasoline Corporation,
New York City

Gentlemen:

I have been using Ethyl Gasoline in a leaky cigar lighter.
I have practically lost all sense of touch in the fingers of my
right hand.

Could this be LEAD POISONING?

Yours very truly

Wm. F. Little,
450 Angier Av., N. E.,
Atlanta, Georgia.
