Garlock NEWS RELEASE

3/26/75

MOSCOW TRADE SHOW

Rochester, New York, March 26 - - - Garlock will exhibit its industrial products in Moscow April 1-10 at a trade show specializing in pumps and compressors.

This show is significant for East-West trade in view of the recent failure of trade detente between Russia and the United States.

The show is being organized by the Bureau of East-West Trade of the U.S. Department of Commerce, the Chamber of Commerce and Industry of the U.S.S.R., and the Russian Ministry of Foreign Trade.

Among the other 25 U.S. companies exhibiting at the show are Ingersoll-Rand, International Harvester, and Dresser. Companies from other Western nations will also be exhibiting at this show.

Garlock products to be exhibited include braided packings, compressor parts, TFE-lined butterfly valves, and oil seals.

Garlock Inc. is headquartered in Rochester, New York.
