meeting - Lacey went to pay death benefit.

Widow mentioned ~~brother~~ uncle had died of same condition. Widow told Lacey that heavy drinking and smoking contr. to death

No autopsy performed — even tho death certificate said so —

Lung Specialist - Dr. Mannell - reviewed file - visited plant - killed in an auto accident -

June 21, 1973 - meeting with Lacey - advised that Dr. had died.

L-M. had not intended to do any more about this now - no claim actually submitted - will need to get another medical opinion since Dr. Mannell's demise
