J. Cresce - General Offices

September 25, 1967

D. Danna - DDANN
W. T. Dickens - WDICK
J. R. Durland
H. L. Minckler

DR. R. E. HOWARD - RHOWA

Progress in getting clearances for moving ahead with the aroclor project in Japan has reached the point where we should pick up the next phase of this program.

Please proceed with the preparation of the Design Manual.

J. Cresce
