Dear John,

I would like to thank you for attending our recent meeting in Houston, regarding our asbestos problem in Dresser Tower.

Per your suggestion I am forwarding a sample of our fireproofing material to make the determination if it is in fact "MONOKOTE".

I am looking forward to hearing from you.

If you should need additional information, please feel free to call me at (713) 659-8806.

Sincerely,

Richard A. See
Project Manager
