Dear Mr. Gremillion,

Thank you for your interest in our Vinyl Chloride Analyzer.

We are presently preparing brochures and specifications and they should be ready by January first, and I will forward a copy to you.

As you will see in the brochures we are offering a multirange, multi-channel (6) instrument with a variety of outputs and alarms.

If I can be of further service in the meantime, please don't hesitate to call.

Sincerely,

Ernest Ciccone
