Q You would agree that that has no applicability to grinding, sanding of brakes?

A No, that is a different mechanism involved.

Q In about 1975 or thereabouts you indicated that Ford hired Mount Sinai.

MR. WILLIAMS: Objection.

THE COURT: I haven't heard a question yet.

MR. WILLIAMS: I don't know that he testified that he hired them, Your Honor.

THE COURT: Mr. Anderson will respond appropriately.

BY MR. SMITH:

Q Please, explain to us who Ford hired.

A We didn't. We made contact with Mount Sinai and we had a number of meetings, but I certainly don't believe we hired Mount Sinai.

Q Okay. That is fine. I don't mean to mischaracterize.

For how many years did Ford contribute to the Mount Sinai studies?

A I can't answer for Ford Motor Company. I
