Her email is Lori_Mashburn@ios.doi.gov.

I have given her your resume already, but she has had to manages hundreds/thousands. I would attach a copy with your email.

You may wish to suggest particular jobs of interest. Most PAS/Senior jobs are further towards being locked in, In FWP, Bureau level jobs have the greatest potential for a match....Special Asst. to Director, NPS or FWS. OR, Bureau Level COS. Or you could look at BLM for a similar role. Just my two cents.

I have not spoken to her myself. Should I reach out via email and ask for a few minutes of her time in person? Thank you for keeping me in mind!
