

You can't beat the system.

When it comes to solving anti-corrosion problems, you just can't beat a system formulated with Onco[®] M50[®] Basic Lead Silico Chromate pigment. It's the solution that's time tested and use-proven. Users include highway authorities in over half the states in the country.

Onco M50 provides Defense in Depth where you need it. In every coat, every finish, and just about any color. For more information, just write National Lead Company, Room 3150, 111 Broadway, New York, N.Y. 10006. In Canada: Enelchem Products, Division of Canadian Titanium Pigments Ltd., 1401 McGill College Avenue, Montreal, Quebec.
