CHAPTER 61
DEPARTMENT OF HEALTH & ENVIRONMENTAL CONTROL
NOTICE OF PUBLIC HEARING

The Department of Health & Environmental Control, pursuant to Section 44-1-140 of the 1976 Code, as amended, is proposing a regulation to certify operators of asbestos removal projects entitled Standards of Performances for Abestos Removal Operations, Regulation No.61-86.1. Subjects in the proposed regulation include minimum training standards and work practice requirements for asbestos removal. A public hearing will be held on November 25, 1985 at 10:30 AM in the Peeples Auditorium, J. Marion Sims Building located at 2600 Bull Street, Columbia, S.C. Those desiring to make lengthy statements are requested to prepare those statements in writing for the record.

Written and oral statements will be given equal consideration in the record. Written comments may be directed to Otto E. Pearson, P.E., Chief, Bureau of Air Quality Control, 2600 Bull Street, Columbia, S.C. 29201. Written comments to be written into the record must be received no later than November 25, 1985.

The Bureau of Air Quality Control plans to present the final version of the regulation to the Board of Health and Environmental Control for promulgation no later than December 3, 1985.

Copies of the proposed regulations will be available for review at all Department of Health & Environmental Control, Environmental Quality Control district offices as of the date of publication of this notice.

PUBLIC NOTICE

The public hereby is notified that the regular meeting of the City Council of Charleston will be held beginning at 6:00 p.m. Tuesday, October 29, 1985, in City Hall.

MARY R. WRIXON
Clerk of Council
