Hi Nick and Ben – I wanted to follow up on a piece we discussed back during the launch of America's road trip. You had mentioned the Secretary hitting the road for his road trip and visiting several of the 250 stops in his Ford Bronco.

First, wanted to see if this was still in the plan, and second, see how we can help and be involved. I know there's a lot of opportunity for stops around the country, including the Michigan stops we're excited about.

If it's easier to chat, my cell is (b)(6)
