MEDICAL REPORT

OFFICE
RAYMOND B HUDSON
CHIEF DEPUTY ADMINISTRATOR
OF MEDICAL SECTION

Date of this Report: 2-26-64

Date of Examination:

After reviewing the medical evidence presented, the allowances in this claim, the autopsy protocol and the death certificate which lists claimant's death as due to pulmonary edema due to cor Pulmonale due to asbestosis.

It is this examiner's opinion that decedent's death was directly due to the allowed occupational disease in this claim and that it is impossible to deny the death claim.

Death claim is approved medically.

Respectfully submitted,
