22 January 1974

Memorandum For: Members

Subject: Special Meeting of Board of
Directors, New York City,
February 21, 1974

A special meeting of the AIA/NA Board of Directors will be held at the Williams Club in New York City (24 E. 39th Street), February 21, 1974. The meeting will commence at 9:30 A.M.

The agenda will include a report by the Chairman of the Technical Committee, a review of recent legal cases claiming compensation for alleged asbestos-related diseases and a report on current medical studies and projects related to asbestos and health.

Luncheon will be served in the Club. Dr. Irving J. Selikoff, Director, Environmental Medicine, Mount Sinai Hospital, New York City, has been invited to speak at the luncheon. A question-and-answer period will follow his remarks.

The meeting will reconvene after luncheon. Adjournment is scheduled for mid-afternoon.

Members are requested to use the enclosed card to indicate their attendance. Please use the card to also note the attendance of your Technical Committee representative, as appropriate.

For background information concerning the luncheon speaker, your attention is invited to the enclosures.

Sincerely,

R. H. Mereness
