Monsanto

J Alley

FROM NAME & LOCATION H. R. Ford - Atlanta

DATE August 27, 1976

T. L. Gossage

SUBJECT PCB'S

X.C. DW
JCW
THK
DR Bishop

REFERENCE

TO : Cumming Paton - St. Louis

Cumming, while I am sure you can paper your walls with PCB articles, I thought you might be interested in the most recent article which appeared in the Atlanta paper.

I find that my concern was not nearly as great when the contamination was in the Hudson River or in Lake Huron, but Lake Hartwell is one of my fishing holes and I just wanted you to know you are hitting pretty close to home.
