Dr. James R. Donnalley, Vice President,
Corporate Environmental Issues Project
GENERAL ELECTRIC COMPANY
3135 Easton Turnpike
Fairfield, Connecticut 06431

Dear Jim:

This will confirm our plans to meet with you and other representatives of General Electric Company's PCB Issues Management Team to discuss items of mutual interest.

The meeting will be held Tuesday, May 18, 1982, in conference room D-2 in D-building, beginning at 8:30 AM.

The following Monsanto Company representatives will be present:

Dr. Clayton F. Callis, Director, Environmental Operations and Technology Planning, MIC
Dr. John H. Craddock, Product and Environmental Safety Director, MIC
Mr. Thomas L. Gossage, Vice President and Managing Director, MIC
Mr. Joseph G. Nassif, Litigation Attorney, Monsanto
Mr. Robert S. Nelson, Director, Environmental Protection and Product Safety, MIC
Mr. Laurence J. O'Neill, Environmental Communications Manager, Monsanto
Mr. Phocion S. Park, Environmental Counsel, Monsanto
Mr. Monte C. Throdahl, Senior Vice President, Monsanto

a unit of Monsanto Company

PCB-ARCH0754627

Topics of interest in the general discussion will include:

1. Review of EPA rulemakings as a result of EDF lawsuit

   a. status and impact
   b. actions and responses planned
   c. possibility of legal challenge of final rules

2. Litigation

   a. personal injury liability
   b. environmental clean-up
   c. possible Superfund actions

3. Need for Review of Environmental Studies Published in the Literature

   (Program similar to recent health reviews.)

4. Trade Association Activities

5. Communications

   a. intercompany
   b. general media

6. Other Topics as Desired

The meeting will break for lunch at noon and reconvene about 1:15 PM, if needed, to complete discussions and wrap-up. Monte Throdahl may have to leave at 11:30 AM for another commitment, so he will try to cover items of major interest earlier.

We have made hotel reservations, as you requested, for you, Messrs. Hamilton and Friedman, and Mrs. Read at the Breckenridge Frontenac Inn for Monday evening.

We look forward to your visit and sharing of thoughts on this issue.

Sincerely yours,

John H. Craddock, PhD,
Product and Environmental
Safety Director
