NOTES:

A Estimated quantities are based on 1966 consumption. Our production requirements may change during the term of this agreement; therefore, exact quantities cannot be guaranteed.

B Products herein specified will be released in accordance with this agreement subject to their satisfactory performance in our use.

C Each plant District Purchasing Agent will issue a Local Purchase Agreement covering that plant's requirements for the products herein designated. The Local Purchase Agreement may also include additional products which the District Purchasing Agent wishes to purchase from you at prices, etc. as arranged for between you and the District Purchasing Agent.

D Shipping and invoicing shall be against the Local Purchase Agreement which will also show any stocking, delivery, and releasing arrangements, tax instructions, shipping and invoicing instructions, etc.

E Do not ship or invoice against this National Purchase Agreement.
