Messrs.W.P. Fuller & Co.,
San Francisco, Cal.

Gentlemen:-

LITHOPONE:

We acknowledge receipt of your orders #318 and 320 confirming telegraphic order for two cars Lithopone, and note your instructions to ship one car about April 1st and the other about April 15th.

In this connection beg to advise when we received your telegram ordering the two cars in question, we presumed you were in a hurry for the goods and therefore requested the New Jersey Zinc Co. to make prompt shipment.

They have arranged to forward these two cars today or tomorrow, and owing to the uncertain freight conditions at the present time and the difficulty in obtaining cars, we are permitting the two cars to go forward as soon as ready.

Trusting our action will meet with your approval, we remain,

Very truly yours,

W. P. FULLER & CO.
