Andy is out this week, so feel free to get with Karen (for 3347 and the mitigation portion of 3349) and with Steve (the climate change portion of 3349).

Thanks much! --K

Hi Kristin,  
Public Affairs will need to do some work on key messages for SO3349 (mitigation and climate change). Whom is the best person for us to contact? Also, we should probably do something on Rec (SO3347). Should our rec person just get with Andy?

Thanks,  
Bev
