Lee:  
Thank you again for taking the time to chat with me regarding some basic questions related to EPA water related rulemakings, specifically 316(b).  
Please let me know a date and time in the next few weeks that might work for you and/or the appropriate staff to have a meeting or phone call. Happy to work through your scheduler to arrange a time at your convenience.

Thank you in advance.

Regards,  
Margaret
