Dear Mr. Stokes:

I have received your notification of the Chemical Workers' desire to terminate/or amend the existing labor agreement at our Tyler Plant.

Due to current contract talks elsewhere in the corporation, I would like to defer establishing a specific date to meet with you at Tyler until later in August. I assure you that we will allow sufficient time to discuss the proposals you have submitted to date.

If you have any questions concerning the above approach, please contact me.

Very truly yours,
