All these studies, ladies and gentlemen.

Mr. Grewe gets exposed.

This case is about knowledge. That is what it comes down to.

Now, ladies and gentlemen, you may hear during the case about things like TLVs, threshold limit values. You may hear about OSHA. You may hear about the EPA.

You are going to hear about enough initials that at the end of this case you won't want to hear any more initials again, but the Judge will tell you what you need to do with that at the end of this case. He will tell you what you need to do with that.

But remember, knowledge, nondelegable duty. You can't push it off on others.

Ladies and gentlemen, that is how, that is the how on how Mr. Vandergucht got exposed. That is the how on how Mr. Grewe got exposed, and that is why they should be held responsible.

You will hear about our last plaintiff, our
