

not be humanistic," he said. "But technology is action, and often potentially dangerous. "Unless it is made to adapt itself to human interests, needs, values and principles, more harm will be done than good."

Motor Clubs

Motor clubs in the U.S. date back to about 1900.

and a female Medical Service Corps blood bank specialist. The Navy isn't supplying any professional beauty operator — the whole thing will be on a self service basis. Its cost will come to around \$900 and will be underwritten by a loan from the Navy Ship's Stores Office headquartered in Brooklyn, N.Y.

The Navy said the loan will be repaid from profits on the sale

numbered by the men staffing the ship — 30 doctors and Medical Service Corps officers and 256 enlisted hospital corpsmen. The 15,000-ton vessel will be able to treat as many as 900 patients. She will have three operating rooms. Officially, —it has been— said only that the Repose will be assigned to the Pacific Fleet, but sources have said she will be sent to Southeast Asian waters.
