Mr. C. P. Dibble
Sr. Vice President
Mallory Capacitor Co.
30029 E. Washington St.
P. O. Box 372
Indianapolis, IN 46208

Dear Mr. Dibble:

Enclosed are two additional packages of information relating to PCB health effects. As best I can recollect, this is essentially the same information I sent you on your first request. If there is any particular document you did not receive, please give us the title or other identification and we will be happy to provide.

Sincerely,

John H. Craddock
