Robert Roby, Safety Engineer
Bird & Son, inc.
E. Walpole, Mass. 02032

Dear Bob:

Attached is the survey of the roll roofing operation involving asbestos base sheet at your roofing plant on November 9, 1972.

You will note that Mr. Piccolo indicates that there is no hazard from the asbestos but he does indicate that further study should be made of the talc.

Yours truly,

ARROW MUTUAL LIABILITY
INSURANCE COMPANY
