Dear Ms. Perdue:

In reply to your letter of January 20, we have checked on the sample of Aroclor 1221 and have been advised this will be mailed to your attention today. We apologize for the delay on this sample.

I regret I cannot send a sample of Aroclor 1262 or Aroclor 1268 since this material is no longer manufactured and our supply of samples has been exhausted.

If I can be of further service, please let me know.

Sincerely,
