ANNOUNCEMENT

Monsanto

The Chemical Group

Effective July 1, Kathleen D. Moldthan is appointed to the position of Manager, Remedial Projects, in the Environmental Operations Department. This change is in recognition of Ms. Moldthan's accomplishments and increased responsibilities in managing Monsanto's liabilities at 17 Superfund Sites.

Ms. Moldthan assumed her current position in 1992. She received a B.S. degree in geology from Florida Atlantic University in 1982 and B.S. and M.S. degrees in geological engineering from the University of Missouri-Rolla in 1986.

Ms. Moldthan will continue to report to me.
