Dear Dr. Kehoe:

We are mailing to you under separate cover four kits containing specimens of blood and urine for examination of blood and urine lead levels. The following are the patients' names: Mr. Matthew Williams, Mr. William Kauterman, Mr. Anthony Pandinus and Mr. Curtis Adams.

May we at this time request two more kits containing spot bottles, needles, blood tubes and plastic cup for the collection of blood and urine.

Thank you in advance for your attention to these matters.

Very truly yours,

L. H. Hergesheimer, M.D.
