Monterey High Team Places in Auto Repair

By DAN MATTERSON

The team of Pete Stock and Lebron Vance, representing Monterey High School, took third place in the regional Trouble-Shooting Contest held May 10, at the Santa Clara County Fairgrounds.

The contest, sponsored by the Northern California Plymouth dealers, attracted teams from 29 high schools throughout Monterey, Santa Clara, Santa Cruz and San Benito counties.

Trouble-shooting is the diagnosis and correction of intentionally placed 'bugs' in cars to simulate actual operational malfunctions. Contestants were judged on their ability to stay within accuracy limits and accuracy of the car's idle speed, cam angle and ignition timing, workmanship and cooperation.

Participants competed for an all-expense-paid trip to the national contest in Detroit. Second and third place prizes were large trophies engraved with the names of the winners and the schools they represented.

Albert Hatliff, auto shop teacher at MHS, had nothing but praise for the team.

Seaside Sophs Set Car Wash

The first major fund-raising event of the sophomore class at Seaside High School will be a car wash Saturday at two locations, from 8 a.m. to 6 p.m.

The Gas-a-Teria at Fremont and Hilby and the Marina Safeway Store lot are the two locations. Sophomores will be on hand the entire day to provide fast service for all customers.

Adventure

Three students of Santa Catalina Lower School are looking forward to the San Domenico Summer Adventure, a program conducted by the Dominican Sisters of San Rafael. Attending the five-week event during school vacation will be Leslie Carrie, at right, and Gretchen Nicholas (left) and Mary Jo Stine, in lower photo. The Summer Adventure includes spiritual guidance, creative development and outdoor fun for girls from 9 to 13. California residents and girls from out of state share experiences and interests on the new campus of the San Domenico School for Girls in San Anselmo, Marin County.

At RLS

By PHIL FLEMING

Fathers from all over the United States will be on hand Saturday to celebrate the annual father - son Banquet at Robert Louis Stevenson School in Pebble Beach.

Speaker will be Frankie Albert of Pebble Beach, former quarterback and coach of the San Francisco 49ers and a Stanford University Star athlete. Robert U. Ricklefs, president and headmaster of the school, will be host for the evening and master of ceremonies.

As is traditional the boys will challenge fathers in golf, tennis, swimming and baseball, with an added event this year of a rifle match.

Awards and letters are presented in all major sports (with soccer replacing football). The banquet is held in Reid Hall from 7 to 10 p.m., with a 5:30 reception for the fathers at the home of Mr. Ricklefs.

In addition to the sports, students may attend a number of special cultural events that will also be open to the public. On Saturday at 4:30 p.m., Terry Talbot and Robert Howard will give an organ recital in the Erdman Memorial Chapel with Robert Peterson, director of music, conducting. Tomorrow night many boys will be attending the Santa Catalina play "American Dame."

'Pygmalion' On Stage At P.G. High

By ELLEN SONGSTAD

"Pygmalion," the senior class play at Pacific Grove High School, will be presented tomorrow and Saturday at 8 p.m. in the multipurpose room at the school.

Bernard Shaw's comedy is a satire of English life and is the basis for the popular musical "My Fair Lady."

Gene Alu, faculty director, previewed the performances with the forecast that the play should be a great success, as he feels the cast members have great potential. The players have been in rehearsal for many weeks, and the stage crew and all others helping have been working hard.

Proceeds from the play will be used primarily to help finance the senior gift to the school or possibly as a contribution to the Peace Corps.

Tickets are $1 and will be available at the door.
