Department of Medicine
Cincinnati, Ohio

Dear Doctor Machle:

Re: [redacted]
Death Claim

Thank you for your letter of August 22nd. Our Home Office is calling for a copy of the Chemical analysis made in connection with the autopsy.

Will you please advise if a formal autopsy was performed, and how we may obtain desired copy? We should be glad to pay a nominal fee for this if necessary.

Very truly yours,

James [illegible]
Cleveland District Office
