Dear Otis:

Enclosed is a copy of the analytical results that Scott Tucker has to date on selected samples from the fish toxicity study. These data will be the principle reason for our visit on Thursday, July 31.

As I told you on the telephone, we will be arriving on American Airlines flight number 528 leaving St. Louis at 7:30 a.m. and getting into O'Hare at 8:28 a.m.

Best personal regards.

Sincerely,

Elmer P. Wheeler
