MES 3/10/31

My dear Mr. Johnson:

3/11

We have not, to date, received an acknowledgment to my letter dated February 26th addressed to you. We have, however, under date of March 9th, received a wire from Misses Fitzgerald and Cates, stating that you had showed my letter to them stating Nursing Service would be discontinued April 1st.

Since we have not heard from you as to what arrangement you are prepared to make for service to non-policyholders, we are prepared to guarantee the salary of one nurse, for a period of a year, who would be responsible for care to policyholders. In the event your community is not in a position to finance the salary of the additional nurse, we will endeavor to try and find a place for her in one of our nursing centers if one of the two nurses are interested in accepting a transfer, thus retaining one of the nurses to continue in charge of our Nursing Service to policyholders.

We are prepared to change the date of the present arrangement to May 1st, trusting this will give you a little more time to perfect plans, if you so desire, which we suggested.

Very sincerely yours,

MRS. LA MALLE

Second Vice-President
