Subject: Thank you

Ryan, Thank you and Sara for taking so much time with me on Tuesday. Please thank the administrator as well (I don't figure he reads his own email and a written note would take way too long to find him.) If you can't tell I am trying to be helpful as you navigate with states and outside groups. The business community in Virginia and elsewhere really want stable state agencies. And regarding Chesapeake Bay funding we all want to finish the job cooperatively. Thanks again. Dennis
