Miss Susan C. Lyman,  
Harvard School of Public Health,  
Boston, Massachusetts.

My dear Miss Lyman:

The various workers receiving regular Services  
and Wages under the Lead Fund did not receive their checks  
on July 15th. Could you please have their wages continued  
until September first, except Miss Shaw who should have  
her wages stopped after her check of August first.

The payroll as it exists at present is as follows:

|                                    |                  |         |                   |
