Dear Lee:

I acknowledge with thanks receipt of your letter of September 29 and certainly appreciate the information concerning your use of tetraethyl lead. I will pass along your remarks to Mr. O. B. Lewis, Chairman of our Safety Committee, as well as, Mr. Colvin, our Safety Engineer operating out of Chicago, with the suggestion that communication be made with Dr. W. R. Veazey, who is entirely familiar with the project.

With kindest regards, I remain,

Very truly yours,
