Julius:

I called Arnold Michlin back on Wednesday, following the conversation you and I had Monday as to Arnolds proposed 1/3 each "share the credit" plan with Zayres. I told him that to date we are not in a position to commit ourselves to issuing any credits for returned merchandise after June 11.

He will have his men who service appoximately 60 Zayre stores making the rounds on June 11, to remove from Zayres all Resurfo and SX Joint Cement. He will also instruct Zayres to have the stores he does not service direct, approximately 33 other stores, pull those three items and have them thrown out to avoid return freight charges.
