8:45 AM	Robert P. Carter	Introduction Room 732B
9:00 AM	Dr. P. R. Atkins and Ms. Margaret J. Crum	Waste Water Treatment Room 759
10:00 AM	D. L. Backenstose	Stack Sampling Room 755A
11:00 AM	Robert P. Carter	Urinary Fluoride Surveys Room 732B
12:00 AM	Lunch with Robert P. Carter and other members of the Pittsburgh Staff	
1:30 PM	Robert P. Carter	Asbestos Alternates Room 732B
2:30 PM	J. E. DeGraffenread	Noise Measurement and Audiometric Testing Room 912
3:30 PM	T. B. Bonney and Robert P. Carter	Heat Stress Room 732A
4:30 PM	T. B. Bonney, J. E. DeGraffenread Robert P. Carter	Over-all Industrial Hygiene Program - Suralco Room 732A
Evening - Dinner with T. B. Bonney and other members of Pittsburgh staff		

During the day there will be an opportunity to take a few minutes to meet Mr. G. T. Holmes, Technical Manager, Smelting Division. Unfortunately, Dr. M. O. Colwell will not be in Pittsburgh during the period March 21 - 24. You will note we have included a couple of subjects in the agenda that you had not specifically named. However, we can certainly take time during the day that you are with us in Pittsburgh to cover any subjects that are of particular interest to you.
