or 12 clutch jobs the entire time you were there?

A Yes.

Q That would have been less than one a year, or about one a year?

A Yes, or maybe -- yes, one a year.

Q Somewhere in that range?

A Yes, somewhere on average.

Q Now, in 1962, as I understand it, everybody moved to the Oliver Street garage?

A Yes.

Q Did they actually close the Preston Street garage?

A Yes.

Q Okay. And the Oliver Street garage was a much more modern facility; isn't that right?

A Yes.

Q Okay. As I understand it, when you got to the Oliver Street garage, there was now exhaust ventilation; is that right?

A Yes.

Q Okay. And from about that time forward you
