Dear Mr. Rollins:

I have enclosed a copy of the proposed regulations concerning PCBs which you requested as per our phone conversation of March 9, 1977.

Please note that I am interested in any information you can supply regarding compliance with the marking and disposal regulations. I greatly appreciate your time. Thank you.

Sincerely,

Dave Berkey

Dick -
Admit that Versar discussed the details & this with you, but not that you have a copy. I know there are a few more changes being discussed & this is a definitive so the way it will be in the Federal Register in 6 weeks
