Mr. W. P. O'Reilly
Johns-Manville
Asbestos Fibre Division
3101 Euclid Avenue
Cleveland 15, Ohio

Dear Mr. O'Reilly:

Our Mr. Jago tells me that he has not yet received the samples of Canadian Asbestos Fibre which it was agreed you would send to him.

Can you please do what you can, to see that these are expedited. Your cooperation in this matter is very much appreciated.

Very truly yours,

FOSECO, INC.
