TERMS

On Paints, Enamels, Varnishes, Kem Products, Dexall Products, Loxon Products, Graphic Arts, O-K Products, ODP Lead, Flaxoap, and Brushes—60 days net. 2% for cash within 10 days from date of invoice;

On Turpentine, Dry Colors, Pest Control Products, and goods not of our manufacture—30 days net; 1% for cash within 10 days from date of invoice;

On Linseed Oil—Net Cash within 10 days from date of invoice.

FREIGHT POLICY

Freight will be prepaid on all orders of Trade Sales Paints, Varnishes, Enamels, Kem Products, Loxon Products and Dexall Products the value of which at Net Dealer Prices is $60 or more. Orders for less than $60 will be shipped f.o.b. our nearest warehouse or factory.

RETURNED GOODS

No merchandise may be returned for any reason without our permission.

If goods are returned because of our mistake, we will pay full freight and render credit for full amount at which goods are billed.

Goods returned for other reasons will be credited at the billing price, less a 10% handling charge F. O. B. our warehouse.

NOTICE

The prices quoted in this price list are subject to advances equal to the amount of any revenue duties, sales tax or any other form of taxation that has been or may be levied upon the sale of these materials. The amount of any tax or charge so added to each invoice rendered in connection with this quotation shall not be subject to any cash or other discount.

Shortages or errors in billing must be reported within ten days from receipt of shipment to secure proper adjustment.

In making all shipments our responsibility ceases when we receive a signed bill of lading from the transportation company. Claims for losses and damage in transit must be filed with the transportation company by our customers. If shipments are received in a damaged condition, or short in the number of packages, be sure to have the freight agent make such notation on the paid expense bill. This will enable you to file and collect claim without affidavit.

STRAIGHT CASE DISCOUNT

Prices are shown in broken case quantities. Straight cases will carry a discount of 24c per case, except Finest Quality Colors in oil tubes and Flaxoap. This is equivalent to 6c per gallon, 4c per quart, 2c per pint, 2c per ½ pint, 2c per ¼ pint.

S-W Products are packed in cartons as follows:

¼ Pts.	½ Pts.	Pts.	Qts.	Gals.
12	12	12	6	4

Quicker and better service can be given if standard carton quantities are adhered to.

Products on which prices for 5 gallons and drums are not listed are available on special orders only.

PACKAGE DIFFERENTIALS

To secure prices in fives and drums deduct as follows from the printed Split Case Price of one gallon cans shown in this list.

Fives.....15c a gallon
Drums.....20c a gallon

SWP
GLOSS HOUSE PAINT

More homes have been beautified and protected with SWP House Paint since 1880 than with any other brand. Reason—highest satisfaction by users.

With these 16 standard colors and Kem Tinting Color you expand a few gallons into an array of gorgeous new colors with a minimum inventory.

Dealers can sell this ready-to-use house paint with the utmost confidence that the performance was never better than it is today:

Faster, easier brushing	Uniform coverage
Tough, elastic film	Uniform gloss
Long-lasting protection	Uniform quality

Maximum color retention

SWP
EXTERIOR VELVET FLAT PAINT#

SWP Exterior Velvet Flat, the all-purpose paint, is designed for use on stucco, concrete, cement block, brick, masonry, wood shingle, shake and rough lumber.

With SWP Exterior Velvet Flat Paint, homes, apartments, office and industrial buildings of stucco, masonry and shakes are beautified and protected against the elements.

When used with the designated primer for the particular surface, it brushes on easily and covers solidly, producing a beautiful, long-lasting, exterior velvet flat finish.

PAINT AND VARNISH REMOVERS

Sherwin-Williams Wash Away Paint Remover is the modern, quick way to remove old paint, varnish, enamel, shellac, lacquer and latex paint.

Simply brush on a liberal coat of Sherwin-Williams Wash Away Paint Remover, let soften 10 to 30 minutes, then wash away with water and a cloth or water and steel wool. Rinse clean. (A household detergent added to the water will aid in the process.) Allow to dry 18 hours and the surface is ready for refinishing.

Being *non flammable*, Sherwin-Williams Wash Away Paint Remover is the safest product for consumer use that can be found anywhere.

Brushes used in Sherwin-Williams Wash Away Paint Remover can be washed out with water, instead of mineral spirits as required by old fashioned paint removers.
