a mailing to everybody, but I believe it was FMSI that produced the original information.

Q. This exhibit that's attached to this was actually placed physically into a container that contained what?

A. That contained our asbestos-containing brake products.

Q. And this document I guess is listed as Exhibit-5; is that correct?

A. Yes.

Q. So, let's go to Exhibit-5.

MR. MCGUIRE: That's the same exhibit you were asking him about a few minutes ago.

BY MR. BARTELS:

Q. Exhibit-5 is actually Creamer-1A?

A. Right.

Q. So, it's your testimony that sometime around 1977 --

A. We started putting that in the boxes.

Q. At the time Motion began to put this document into their boxes which contained asbestos brakes, do you know whether or not the company believed that asbestos was a dust hazard that could cause disease?
