October 15, 1969

N O T I C E

Effective November 1, 1969, Mr. Joe McKinney will become our Quality Control Manager.

Joe comes to us from our sister plant in Marion, Indiana, where he has worked in various capacities for several years. His most recent assignment is that of Supervisor-Metallurgical Lab.

Joe, his wife, and two children, will soon be moving to our community.

John A. Kayser - Plant Manager
Spicer Universal Joint Division
Pottstown Plant
