I think he was a garage man.

Q And did you know any of the other garage men that worked out of the Preston Street garage?

A Yes.

Q And what were some of the names of the other garage men that worked around the same time that Mr. Wood worked?

A Mr. Buckner, Mr. Garner, two Garners, two brothers, and there were several more, but I don't recall.

Q Okay. Now, when did you say you retired from the post office?

A August 20, 1980.

Q And when was the -- after you retired, when was the last -- well, when was the last time that you saw Mr. Wood?

A I don't know. It had been about six years, something like that.

MS. HINES: Just one minute, Your Honor. I am checking my notes.

(Whereupon, pause.)
