Vs. New Primex Realty Associates

Dear Mr. Reilly:

Enclosed please find a copy of a letter we recently sent to our Environmental Control Department as well as a response from our Corporate Director of Industrial Hygiene. We trust this will be of assistance to you.

As indicated in the letter, our Corporate Director of Regulatory Affairs, will be providing us with an answer to Question #4. I was going to wait for this report from and send you both his report and together; however, has indicated it will take him a little while longer to obtain all of the information you need. Therefore, I thought it would be best to send you report ahead of time. I will continue to follow-up with

and our former store manager, would be willing to testify if necessary. Please contact me regarding arrangements for this if necessary.

Should you have any questions, please do not hesitate to contact me at 216-566-3064 or at 216-566-3096.

Thanks for your patience, Kevin.

Very truly yours,
