Mr. Carter.

Mr. Massey,

17th July 1931.

I am obliged for your memorandum of yesterday enclosing letter received from Dr. Tyrrell with regard to the case of Robert Kershaw.

As I shall be away from the office most of the time in the near future Mr. Carter has taken over all matters connected with the administration of the Asbestosis regulations from T.B.A.Ltd's point of view, and I am therefore handing over the letter to him for attention.

T.B.A.Co.Ltd.

WS/AA.

Dr. J. M. Tyrrell,
176 New Bridge Street,
Newcastle-on-Tyne.

Monday,
6th July,
1931.

Dear Sir,

With reference to your notice on Form No. N.2, intimating that the dependants of the late R. Kershaw of Hook Farm, Syke, Rochdale, are claiming compensation under the Asbestos Industry (Asbestosis) Scheme 1921, we beg to advise you that the case of Mr. Kershaw does not appear to come within the scope of the scheme as he was not employed by this Company at any time on or after the 1st May 1921.

We shall be glad to have your acknowledgment of this letter in due course.

Yours faithfully,
for TURNER BROTHERS ASBESTOS CO. LIMITED

Joint Secretary.
