Hi Michael –

I wanted to make you aware that AGA has a staff-level meeting with OAR on April 1. Details are below. Hopefully that will be a sufficient prerequisite for us to schedule a meeting between Karen Harbert and Administrator Zeldin. If not, please let me know what further steps AGA should take.

Thanks!

Jen

Jennifer Golinsky Baseman | Senior Counsel, Environment

American Gas Association

Hi Jen,

Thanks for your quick response. Due to the current limited availability of the OAR Senior Leadership Team, they are unable to meet. However, key career staff from OAP are available to meet on **April 1 from 2:00 – 2:45pm**.

Please arrive at the William Jefferson Clinton South lobby and be aware that all visitors:

- need to have an acceptable form of photo identification, such as a driver's license, to enter;
- may be asked to go through a metal detector; and
- must be signed in and escorted by an EPA employee.

You may give me a call at 202-525-8039 when you and your colleagues arrive, and I will escort you to the conference room for the meeting.

For more information on visiting EPA's Headquarters please visit: <https://www.epa.gov/aboutepa/visiting-epa-headquarters> or feel free to reach out to me with any questions or concerns.

Thank you,

Thora Middleton

Thora –

Thank you for the quick response to AGA's meeting request. April 1 from 1:30 PM to 3:30 PM still works for us and we are flexible in that window. We defer to whatever time frame works best for the EPA staff we will be meeting with.

Meeting attendees from AGA will be:

- Matthew Agen – Chief Regulatory Counsel, Energy (magen@aga.org)
- Jennifer Golinsky Baseman – Senior Counsel, Environment (jbaseman@aga.org)
- Ashley Duckman – Managing Director, Policy & Strategy (aduckman@aga.org)
- Allison Ealey Cunningham – Senior Director, Governmental Affairs & Public Policy (acunningham@aga.org)

If possible, it would be great to include EPA political staff in the meeting, but either way we are looking forward to meeting with OAP career staff on April 1 to discuss AGA's policy priorities.

Best regards,

Jen

Dear Jennifer Golinsky Baseman:

Thank you for submitting your meeting request to OAR_Invitations on March 11. Key career staff from the Office of Atmospheric Protection (OAP) will be able to meet with you regarding the following issues: ENERGY STAR, GHG Reporting Program (specifically Subpart W), and the GHG Inventory.

We can offer an in-person 45-minute meeting on Tuesday, April 1 between 1:30 and 3:30pm at EPA's Headquarters building.

Please let me know if this time still works for you and your organization. If it does, please confirm who from AGA will attend and provide the time frame that works best.

Thank you,

Thora Middleton
