

1 Q And clutches.

2 A Well, that is where there would be a
3 difference.

4 Q Okay, let's just deal first with brake
5 linings.

6 A Brake linings, as I understand it, up until,
7 you are saying, up until the mid 1950s?

8 Q Yes.

9 A They were all asbestos bearing.

10 MR. SMITH: Page 102, line two.

11 BY MR. SMITH:

12 Q Did you ever change brake linings yourself?

13 A I wouldn't have been much of a mechanic
14 doing brake work if I didn't.

15 Q Did you ever use an air hose?

16 A Yes.

17 Q Using an air hose, did that create dust?

18 A It blew visible particles in the air, that
19 is for sure. Yes.

20 Q Did you grind brakes during that time?

21 A Yes, I had a complete shop.
