DOCUMENT DESCRIPTION: Memo RE Asbestos

Georgia-Pacific

intracompany memo

to Mr. C. W. Lehnert

from D. C. Corkill

subject ASBESTOS

location Tigard Lab

location Portland

date March 10, 1977

F
Rich Ballast informed me yesterday that his Indianapolis customer, Gypsum George, was recently told by his insurance company that his liability insurance is being increased 50%. The reason for this being his use of products containing asbestos. According to Rich there is a million dollar liability risk in that area that stems from a contractor's use of asbestos containing products.
